Dear Students and Families,

We at the Alabama Ballet School are pleased and excited to begin our twelfth year instructing students using the esteemed Royal Academy of Dance syllabus.

Both the Company and the School have seen a tremendous amount of growth over the past few years and we feel that in continuing with this syllabus, we shall go from strength to strength. We have worked hard to ensure that the Alabama Ballet School provides highest quality training to aspiring artists of all ages that is developmentally appropriate, physically and artistically, and we feel confident that our continued association with the Royal Academy of Dance will help cement our already well-established program.

We are extremely excited to be able to provide high-quality training, with a positive emphasis on technique and artistry, to the community.

Thank you again for all of the support you have shown the Alabama Ballet and for your interest in the Alabama Ballet School.

Sincerely,
