TRACEY ALVEY · Artistic Director

As a former dancer, I never imagined that I would be fortunate enough to have the opportunity to continue a career that had already brought me so much joy. Someone once said “if you make a career out of your passion, you will never work a day in your life”. I believe that this is undoubtably the truth. Although the job brings with it many challenges, it is comforting to know that we all have the same end-goal and want the very best for this incredible organization.

ROGER VAN FLETEREN · Associate Artistic Director & Resident Choreographer

I am very grateful to the Alabama Ballet for all of the opportunities that it has given me over the past 26 years. I would like to thank present and past board of directors, executive directors, artistic and administrative staff for their constant dedication to this wonderful organization. I would also like to thank Tracey Alvey and Wes Chapman for their wonderful direction and their constant belief in me. And most of all, I would like to thank the phenomenal dancers both present and past for the hard work and dedication to this wonderful art form. It has been an honor and a privilege to work with them and I look forward to working with them for many more years.
